SOI/PPPOI:

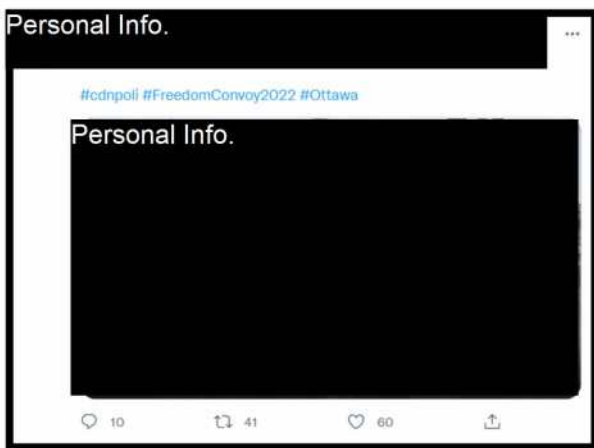

- CIG has received various reports regarding videos resurfacing of **Persona** in which he references “cops will be shot” and the use of firearms. However, the videos reported do not appear to be from recent videos posted from **Persona**. CIG could not located any recent videos in which threatens law enforcement or references the use or firearms.
- PPS PI reported that at approx. 1030hrs on 2022-02-08, **Persona** sent out a video message on Facebook stating: “I don’t give a shit any more. It’s game on boys, let ‘em rip. Honk those horns.” Which goes against the court injunction.

- Minutes later a video post was shared on Twitter that shows trucks on Wellington St. honking their horns:

5

In a CBC news morning radio segment, when reporters had asked demonstrators why the horns were not honking, the interviewee stated that messaging from the organizers was not to honk due to the injunction. From 0:40 to 1:00 time stamp, the interview says that he is obeying the injunction not to honk at the request of organizers.⁶

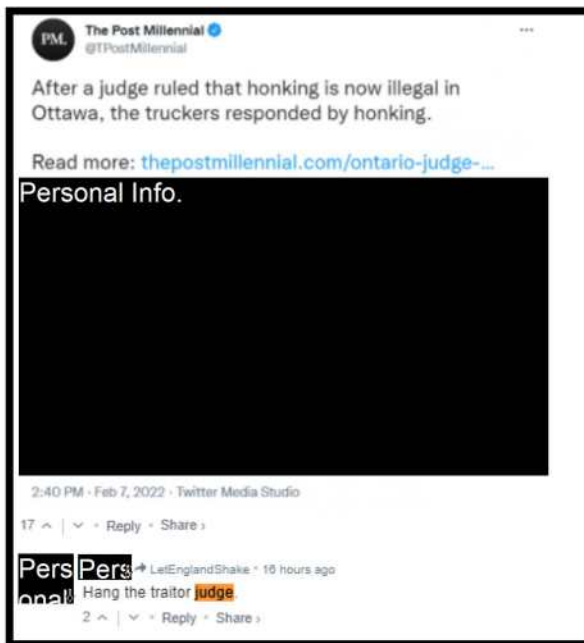

However, as observed, after **Personal** video encouraging to honk, truckers started to honk their horns.

Information was shared with OPS for follow up and potential charge.
